The 10th annual **Digital Signage Expo (DSE)** in USA show was held last month in Las Vegas and rAVe USA covered it via their rAVe NOW Microsite -- more than 350 videos, 20 blogs and over 350 tweets..

Show management has just confirmed the new benchmarks established at DSE 2013 last month include:

- 4080 qualified attendees (excluding exhibitors)
- Record conference attendance
- Record international attendance from a total of 77 countries
- Record 211 exhibitors
- A record show floor space

rAVe USA has put all the DSE stats together in an easy-to-read infographic. By the photo you can hardly tell it was held in Vegas...
